Title: Celebrate Canada Funding Application

Dear Karine Pelletier:

On behalf of the Minister of Canadian Heritage, it is my pleasure to inform you that your application for funding has been approved.

A grant in the amount of \$1,370 will be awarded to help your organization carry out its activities, under the Celebration and Commemoration Program, Celebrate Canada Component. This funding will be allocated over one government fiscal year 2022-2023 and will be subject to certain terms and conditions, the appropriation of funds by Parliament, and the budget levels of the Program.

One of our program representatives may be in contact with you in the near future to review the terms and conditions related to this funding. As you may already know, the Government of Canada is committed to promoting workplaces free from harassment, abuse and discrimination. I would like to seize this opportunity to remind you of your responsibility to provide a work environment where harassment, abuse and discrimination are not tolerated.

In closing, I would like to take this opportunity to wish you and the members of your organization the greatest success in your endeavours.

Sincerely,

David R. Burton
Regional Director General

Subject: KL Gold Message from the President and CEO

Valued Partners,

Today, I am pleased to announce the successful completion of our merger of equals (the “Merger”) with Agnico Eagle Mines Limited (“Agnico Eagle”). With this transaction, we have created the new Agnico Eagle, an industry champion with low-cost, highly profitable operations in low-risk jurisdictions, significant financial strength, an extensive pipeline of development and exploration projects and leadership in key areas of responsible mining. It was the right combination for our companies, our people, our shareholders, the communities where we operate, our suppliers, valued partners, and other key stakeholder groups.

The new Agnico Eagle operations are now anchored by high-quality gold production platforms in the Abitibi regions of North-East Ontario and North-West Quebec with core operations also located in Nunavut, Canada, the Kittila region of Finland, Victoria, Australia and in Mexico. We are now the world’s third largest gold producer with many competitive advantages to drive our long-term success. Agnico Eagle is a strong company with a commitment to investing for growth and to investing in the development and prosperity of our people, communities, and valued partners.

We are committed to building together a growing, high-quality, low risk, sustainable business that generates superior long-term results for shareholders, while creating a great place to work with opportunities for new employment, for local investment and community partnerships and growth for all of us.

I am pleased to be assuming the role of Chief Executive Officer of the new Agnico Eagle, with Sean Boyd (Agnico Eagle’s current Chief Executive Officer) to serve as Executive Chair and Ammar Al-Joundi to continue as Agnico Eagle’s President. At the site level, the completion of the Merger will have little impact on day-to-day work. Corporately, we will be working in the days and weeks ahead to complete the integration process and to prioritize the many opportunities for value creation that our combination has provided. We commit to providing regular communication to you and all of our stakeholders as we advance this process and welcome any questions or input that you may have.

Our new head office will remain located in Toronto at the current head office of Agnico Eagle.

We thank you for your ongoing support and look forward to updating you on our progress as we enter this exciting new chapter for our company and our people.

Sincerely,

Getting Ontario Connected Act, 2022

I am pleased to reach out to you today, following the update that the Minister of Infrastructure, The Honourable Kinga Surma provided (March 7, 2022) to municipal heads of council.

The Government is committed to ensuring that all communities across Ontario have access to high-speed internet by committing nearly \$4 billion in funding-based opportunities for unserved and underserved communities. The *Building Broadband Faster Act* was enacted in April 2021 to help achieve this goal by the end of 2025. This legislation will help remove barriers or delays to broadband project construction and support a more streamlined approach to the deployment of high-speed internet infrastructure.

The Building Broadband Faster Act Guideline (Guideline) was then released in November 2021 to outline the standards for supporting broadband deployment. This was accompanied by a Statement of Intent that provided a roadmap for further legislative, regulatory, and policy tools to facilitate this work.

In line with the Statement of Intent, the Government of Ontario has introduced the *Getting Ontario Connected Act, 2022* which, if passed, would help achieve its high-speed internet goals by reducing construction delays and expediting collaboration among infrastructure owners.

The legislation, if passed, would amend the *Building Broadband Faster Act, 2021* (BBFA) to set required service standards to ensure municipalities provide timely responses to right-of-way permit requests. It would also require information and data sharing by municipalities, infrastructure owners and other stakeholders upon request in relation to designated broadband projects.

Infrastructure Ontario is concurrently developing an online platform called Broadband One Window that would provide municipalities and stakeholders with easy and secure access to datasets while helping to manage right of way access applications.

The legislation, if passed, would also amend the *Ontario Underground Infrastructure Notification System Act, 2012* to improve the process for locating underground infrastructure while enabling construction activities in the province to be completed faster and more efficiently, without compromising safety.

The government has worked with municipalities and other key stakeholders to communicate the impacts these measures would have in advancing broadband projects. To further support these efforts, I would appreciate your feedback on a proposal to be posted shortly on [Ontario's Regulatory Registry](#) related to these amendments, as well as a separate proposal for an administrative penalties framework under the BBFA, which will be developed in the coming months.

Thank you for your ongoing support and should you have any questions, please do not hesitate to contact the Ministry at

Yours sincerely,

Dear Head of Council:

With an expected increase in economic development and electrification in the years ahead, our government is taking steps to launch a significant provincewide competitive process to procure new electricity resources through the Independent Electricity System Operator (IESO).

As you likely know, our government's *Green Energy Repeal Act* in 2018 restored municipal authority over siting renewable energy projects and made municipalities full partners in the future of Ontario's electricity system. No matter the method or type of energy creation, we will work with you. Gone are the days of forcing power plants and wind turbines in your neighbours' backyards.

While I am keen to share with you details on the road ahead, I write to ensure you are aware that as a municipal council your support is not only key but critical for any energy development in your community, and to inform you that both the IESO and our government are encouraging all potential developers to engage with municipal councils early and often.

In December 2021, the IESO released its 2021 Annual Planning Outlook, which forecasted an emerging electricity need starting in 2025-2026 and continuing through the next two decades. In response, I reiterated the government's commitment to procuring electricity resources in a competitive, transparent and cost-effective manner that ensures the long-term viability of the system while keeping ratepayers' bills stable.

Finally, in January 2022, I directed the IESO to proceed with designing and undertaking:

- Multiple procurement mechanisms designed to re-contract a number of existing electricity resources as well as contract an innovative grid-scale battery storage project; and
- A Long-term Request for Proposals (LT RFP) to competitively procure new energy resources by providing longer-term certainty to incent capital investment, while continuing to balance risk between ratepayers and electricity resource suppliers. The LT RFP will seek resources that can be in service between 2026 and 2028.

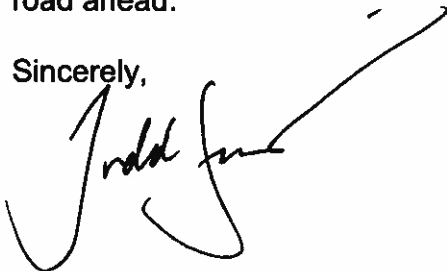

.../cont'd

As you are likely aware, a diverse combination of energy solutions can provide greater flexibility, transparency and reliability for Ontario consumers. Our government continues to be interested in new technologies and business models that drive efficiencies and create new opportunities for consumers – especially solutions that will bring down electricity system costs.

As a starting point, the IESO has released a [stakeholder engagement plan](#) for the LT RFP. The IESO will be reaching out to all municipalities with more information about this engagement, and I encourage you to participate. While I expect the IESO to report back to me with a draft LT RFP in November 2022, I also expect that potential energy infrastructure investors will spend the year ahead preparing project proposals, which will mean securing a host community and seeking municipal support.

As always, your input is important to us, as our local partners are a crucial part of the road ahead.

Sincerely,

Dear Municipal Treasurer/Clerk-Treasurer:

I am writing with regards to the submission of the 2020 Financial Information Return (FIR) to the Ministry of Municipal Affairs and Housing. This is a reminder that your FIR submission was due by **May 31, 2021**. In acknowledgment that ongoing COVID-19 related disruptions may have caused the delay, we strongly urge you to submit your 2020 FIR as soon as you can.

Ontario Municipal Partnership Fund

As you know, the submission of the FIR is a reporting requirement of the Ontario Municipal Partnership Fund (OMPF). The Ministry encourages you to submit the outstanding 2020 FIR as soon as possible to avoid any future holdback of OMPF payments.

The FIR is a critical source of information that is being used by numerous provincial ministries, debt rating agencies, academics, and other municipal users. Therefore, a timely submission of FIR is of utmost importance for making the most informed decisions to achieve our common goals for the betterment of Ontarians.

If you have questions regarding completion and submission, please contact your local Municipal Services Office (MSO) or staff in the Municipal Finance Policy Branch of the Ministry.

Completed FIRs may be submitted via the new Smart FIR. Information on submission requirements can be found on the FIR website: [Financial Information Return \(gov.on.ca\)](https://www.financialinformationreturn.gov.on.ca)

Should you have any questions, comments, or concerns, please do not hesitate to contact Shira Babins, Manager, Financial Analysis and Reporting, at

To recipients of grants and contributions funding:

On February 24, 2022, Russian armed forces launched an unprovoked and unjustifiable invasion of Ukraine. This was done with the support of the Belarusian regime.

In response to Russia's egregious actions, the Government of Canada has implemented sweeping sanctions in coordination with like-minded partners and is examining all of its activities and holdings. These actions reflect the broad international support for the people of Ukraine.

In this context, the Department of Canadian Heritage is undertaking a review to identify activities involving Russia and Belarus as part of the Government's ongoing response to the Russian invasion of Ukraine.

We urge you to do the same, and to suspend all activity involving the participation of Russian or Belarusian state organizations or their official representatives. This includes program partnerships, direct and indirect financing of tours, co-productions, participation in festivals or other events involving the Russian or Belarusian governments.

As you are a current recipient of the Department's grants and contributions funding, we ask that you please review and assess your current programming and engagement with Russian and Belarusian state partners. If there are activities involving the governments of these two countries or their officials, please suspend them until further notice. You should contact your program officer to discuss if you have questions or concerns.

Canadian organizations that are found to have ties to either the Russian or Belarusian states will not receive funding from the Department.

Canada

Canadian citizens and permanent residents of Canada, including those of Russian and Belarusian heritage, continue to be eligible for Canadian Heritage's grants and contributions programs. This is not about unfairly targeting law-abiding and peace-loving citizens and permanent residents, nor is it about attacking Russian or Belarusian culture.

The Government of Canada is committed to working with our international partners to support the brave and resilient people of Ukraine in every way possible.

We thank you for your attention to this most important matter.

Please accept my best wishes.

Sincerely,

234-2022-1674

April 6, 2022

Dear Head of Council:

For the past two years, you, your council colleagues and municipal staff have been at the forefront of the response to COVID in Ontario. I deeply appreciate your continued collaboration with the province and your inspiring dedication.

With key public health and health system indicators continuing to remain stable or improve, Ontario is cautiously and gradually easing public health and workplace safety measures with [all remaining measures, directives and orders to end by April 27, 2022](#).

Today I am writing to inform you of the status of the emergency orders that were led by my ministry and made in early 2020 under the *Emergency Management and Civil Protection Act*, and later continued under the *Reopening Ontario Act, 2020*, to help municipalities address some of the challenges brought on by the pandemic.

The Work Deployment Measures for Municipalities Order will end on April 27, 2022

Since April 16, 2020, [O. Reg. 157/20](#), Work Deployment Measures for Municipalities (order) provided municipalities with the flexibility to deploy certain staff to where they were needed most in response to COVID-19 pressures.

The order was a temporary measure and, in line with the province's lifting of public health measures, it will end on April 27, 2022.

Any deployments your municipality has made using the authority in the order will need to end by April 27, 2022. If your municipality is relying on the order to deploy staff, it is important to work collaboratively and in good faith with your bargaining agents to develop staffing plans beyond April 27, 2022.

The Patios Order will end on April 27, 2022

[O. Reg. 345/20](#), Patios, eliminated Planning Act requirements for notice and public meetings and removed the ability to appeal when municipalities passed temporary use by-laws for new or expanded restaurant and bar patios. This allowed municipalities to pass or amend these by-laws quickly to address local circumstances and needs as they evolved.

The order was a temporary measure and, in line with the province's lifting of public health measures, will end on April 27, 2022.

As the order will end on April 27, 2022, your municipality may wish to consider making any necessary changes to temporary use by-laws for restaurant and bar patios prior to this date. Changes were made as part of Bill 13, the *Supporting People and Businesses Act, 2021* in December 2021 to help streamline the planning system and provide municipal councils broader authority to allow more planning decisions to be made by committees of council or staff. Municipalities can now delegate decisions dealing with minor amendments to zoning by-laws, such as temporary use by-laws, should they choose to (and subject to having appropriate official plan policies in place).

Temporary Health or Residential Facilities

[O. Reg 141/20](#) came into effect on April 9, 2020. It has exempted temporary shelters and health facilities, established to respond to the effects of the pandemic, from the requirement to obtain a building permit or a change of use permit under the Building Code Act, from complying with the technical requirements of the Building Code and with certain by-laws and approvals under the Planning Act, subject to certain conditions related to protecting public health and safety.

This order will also end on April 27, 2022. I understand that some of these temporary facilities are still in use to respond to the effects of the pandemic. I intend to make amendments to the Building Code that would continue to exempt these facilities from the need for a building permit and compliance with the Building Code on a temporary basis, while ensuring they continue to be regularly inspected. Your municipality may wish to consider if any new temporary use or zoning by-laws or amendments to existing temporary use or zoning by-laws may be needed before the order ends on April 27, 2022.

There may be other emergency orders that are ending and may impact your municipality. For the latest information, please visit the government's page on [COVID-19 emergency information](#).

If your municipality has any questions about any of the changes outlined above, we encourage your staff to contact [your local Municipal Services Office](#).

Thank you again for your continued support in protecting the health and well-being of Ontarians while delivering the services they depend upon.

Sincerely,

Steve Clark

John Gabourie : Mr. Gabourie has presented the idea of a fundraiser to the Tourist Committee. The fundraiser consists of a Monopoly Game. The game would be called something like McGarryopoly. He said we would be able to sell the 4 railways spots to local businesses in town. The playing pieces can be mining related. If we were to get 500 boards games made up it would probably cost around \$15.00 apiece and we can probably sell them for about \$39.99. He has approached a few local businesses about this idea and they said they would buy a spot on the game. The game would bring in some fund as for the Tourist as we can sell them at the Tourist Centre as well. Mayor Matt Reimer told John that he was very impressed with his idea.

8. **Correspondence, Information / Correspondance, Information: None**

9. **Members Update Reports / Rapports de mise à jour des membres :**

Chair Councilor Caza took the opportunity to thank once again the Recreation Committee for all their hard work at the Tree Lighting/Children Christmas Party. It was a huge success. The memory angel brought in \$445.00 that was donated to the McGarry Food Hampers. Just a reminder that the Tourist Committee meetings are held on the first Wednesday of each month.

10. **New Business/ Nouvelles affaires:**

- a) **Chinking:** Chair Councilor Caza spoke with public Works and they are looking for quotes.
- b) **Summer Students:** Chair Councilor Caza said that she is hoping to get at least 3 summer students this summer for the Tourist Centre. If anyone has ideas to keep them busy during the work hours to please bring them forward.
- c) **Security Cameras:** Chair Councilor Caza asked if it would possible for the Tourist Centre to get security cameras up due to the hot spot being there, it does get lots of traffic going around the building. Chair Councilor Caza will look into getting quotes and where we would put them as well.
- d) **Yard Sale:** Chair Councilor Caza said that the Tourist Centre only made \$14.00 on the coffee and tea that day. The maps went really well, no souvenirs were sold that day. She suggested that maybe they can have a table as well for the yard sale and that all proceeds would go to the Tourist Centre.
- e) **Clean up before re-opening:** Chair Councilor Caza said that there is lots of cleaning to do before re-opening. She would like the walls washed down, windows, window seals, dusting, bathrooms, floors, etc. If any students looking to get there hours in for school, they are more

than welcome to come and join for the cleanup at the Tourist Centre. She would gladly sign their sheets if they come and help. Mayor Matt Reimer has a list of things that need to be done before the re-opening as well. The list consists of repairing the holes in the drywall, the cleanup of the trail, adding a solar light to the coin so people can see it better at night, maybe getting a selfie stand put in front of the coin.

- f) **Fundraiser event ideas:** Chair Councilor Caza asked if anyone had any ideas for fundraiser events. Members said a spring opening, sell plants, bake sale, car wash, theme day with fire pits and hot dogs. It was also mentioned that we may want to look into getting space heaters for the Tourist Centre and then we would be able to open in the winter and that would bring in some tourist with the ski-doo.

11. a) **Submitted Questions / Questions soumises : None**
12. b) **Audience Questions / Questions de l'auditoire :**

Muriel Rose: Q- Would space heaters throw enough heat so the pipes don't freeze?
A- We would have to look into all that before making any decisions.

Good day,

Please find attached a copy of the new NG9-1-1 Authority Service Agreement. This new agreement is required in order for Bell to provide Next Generation 9-1-1 services in your municipality/local service board/first nation/province. Please note that this non-modifiable standard form agreement has been filed with and approved by the Canadian Radio-television and Telecommunications Commission (CRTC).

With this new agreement, Bell will be utilizing an electronic signature service called DocuSign that will simplify and speed up the process therefore eliminating the need to print/complete /sign and mail the agreement back.

1. Once the new contract has been approved by the municipality/local service board/first nation/province and is ready to be completed and signed please let us know by email at
2. We will setup your agreement to complete the editable sections and e-signature via the DocuSign application.
3. We will contact you via email with instructions on how to electronically sign and return the agreement.

The 9-1-1 Authority plays a critical role in advancing NG9-1-1 forward through the execution of the NG9-1-1 Authority Service Agreement. This is the first step to permitting the PSAPs (Public Safety Answering Point) identified in this agreement (schedule C) who provide 9-1-1 answer/dispatch service for you, to begin their migration from E9-1-1 to NG9-1-1 with Bell Canada. PSAPs will not be allowed to migrate to NG9-1-1 until the new agreement has been signed, therefore we urge you to expedite the approval process if at all possible.

If you have any questions regarding the new agreement or the signing process, please email

Township of McGarry recreation committee

Subject : Request to use McGarry Community Centre

Dear committee members

With the lifting of pandemic related public health directives, le Centre de santé communautaire du Témiskaming (CSCT) is hoping for your continued support to resume use of the McGarry Community Centre for community exercise sessions for adults 55+. The schedule used to be as follows and will have to be confirmed with the participants.

- Moderate intensity exercises: Mondays and Wednesdays from 1 h 30 to 2 h 30
- Higher intensity exercises: Mondays and Wednesdays from 2 h 30 to 3 h 30

These classes have been offered for many years, and they are facilitated by a trained Community Health Worker. 30 minutes are typically needed before and after the classes to set up and take down.

Participants appreciate the classes and are looking forward to starting again. These activities are offered free of charge to the community and new participants are always welcome.

We would also appreciate continued access to storage for the exercise related equipment. So far the kitchen and referees' room were used for this purpose.

Please note that we also have cooking equipment stored in the McGarry Community centre kitchen, as per a previous agreement. If possible, we would like to keep it there as well while we get ready to start planning for those activities. A new request for the use of the space will be sent to you at a later date.

For more details, you may contact Carole Godmaire, Community Health Worker at 705-567-1414, extension 2239.

Your collaboration is much appreciated to continue working together for the wellbeing of the community.

We thank you in advance for your consideration,

Jocelyne Maxwell

Le comité récréatif de Virginiatown

Objet : Demande d'utilisation du Centre communautaire de McGarry

Chers membres du comité

Suite à la levée des directives de santé publique reliées à la pandémie, le Centre de santé communautaire du Témiskaming (CSCT) sollicite votre appui pour reprendre l'utilisation du Centre communautaire de McGarry. Les activités prévues sont la continuation des sessions d'exercices offertes à la communauté selon l'horaire suivant :

- Exercices à intensité modérée : les lundis et mercredis de 13 h 30 à 14 h 30
- Exercices à intensité plus élevée : les lundis et mercredis de 14 h 30 à 15 h 30

Ces cours sont offerts depuis plusieurs années et sont animés par une travailleuse communautaire formée. L'animatrice arrive généralement 30 minutes en avance pour la préparation et quitte par 16 h.

Les participants apprécient grandement ces sessions et souhaitent poursuivre de la même façon. L'activité est offerte gratuitement à l'ensemble de la communauté et les nouveaux participants sont toujours les bienvenus.

Nous aimerions aussi continuer à avoir accès à de l'espace de rangement pour l'équipement nécessaire, présentement remisé dans la salle des arbitres et la cuisine.

S.v.p., notez que nous avons aussi du matériel pour activités culinaires qui est remisé dans la cuisine du centre communautaire, selon une entente préalable. Si possible, nous aimerions les garder sur les lieux en attendant les activités à venir et une nouvelle demande d'utilisation des locaux vous serait partagée lors de la planification.

Pour plus de détails, vous pouvez contacter Carole Godmaire, travailleuse communautaire, au 705-567-1414, poste 2239.

Votre collaboration est toujours grandement appréciée afin de travailler ensemble pour le bien-être de la communauté.

Nous vous remercions à l'avance pour votre considération

La directrice générale,

Jocelyne Maxwell

Cher partenaire communautaire,

Nous espérons que cette lettre vous trouve en bonne condition malgré des circonstances sans précédent d'incertitudes sur les plans social, personnel et économique. Comme plusieurs d'entre vous sont de fidèles donateurs année après année, c'est aux noms des élèves et de leurs parents que nous vous offrons nos plus sincères remerciements. Vous savez sans doute que malgré la pandémie, nos élèves de 12e année poursuivront leurs études postsecondaires dès septembre prochain. C'est la raison de l'envoi de la présente lettre en dépit de cette période plus difficile. Sachez que si votre situation vous permet de contribuer financièrement encore cette année, votre don sera grandement apprécié. Cependant, s'il est impossible pour vous, sachez que nous comprenons très bien et demeurons toujours reconnaissants pour l'appui offert au courant des dernières années.

Advenant un retour à des activités régulières, la remise des bourses aux élèves se déroulera lors de la cérémonie des finissantes et finissants, prévue le 22 juin 2022 à 18h30. Votre aide financière permettra à un plus grand nombre d'élèves de poursuivre des études postsecondaires dans un collège, dans une université ou dans un programme d'apprentissage. En cas de fermeture des écoles, les élèves recevront tout de même la bourse en votre nom. À cet effet, nous incluons un formulaire indiquant le montant de la bourse de l'an dernier ainsi que les critères énoncés pour mériter votre bourse.

Veuillez identifier le représentant ou la représentante qui fera votre présentation en retournant le formulaire.

Nous vous remercions grandement de votre générosité et nous espérons que vous continuerez à nous apporter votre précieux appui.

Veuillez agréer, chère madame, cher monsieur, nos salutations les plus sincères.

We would like to express our appreciation to all our sponsors for your past support of our graduates. We realize that the last two years have been financially challenging for many businesses and organizations due to the COVID-19 pandemic. We were fortunate that District School Board Ontario North East was able to cover the funds for any of our regular award sponsors that were unable to contribute for the last two years. We understand if this year is also financially difficult and are grateful for any funds that will help our graduates. This year's graduation is scheduled for **June 23, 2022, at 6:30 p.m.** in a format still to be determined.

Your award is now listed as follows. Please make any changes:

Attention: Karine Pelletier

Object: Office space request

Dear Ms. Pelletier

Over the years the XYZ Seniors Club had few discussions with members of the Council regarding an office space for our club.

We would like to offer our members a better service as a club. As part of the New Horizon Program we had the chance to acquire all the equipment for an office in order to upgrade our services to our members. Many of our seniors have mobility problems and would appreciate this service.

We are looking at the space beside the entrance door, it would be perfect for our needs. This space is presently occupied by the cleaning supplies which we believe it can be move in the space close to the electrical room.

To continue our recovery from Covid, our main goal is to improve our services to our members, this office space is the key to our new and improve XYZ Seniors Club.

We are looking forward for the approval of the Council, we all know there is not many services for the seniors citizens in Virginiatown and this project would be a start in helping our seniors citizens.

Thank you for considering our demand.

Regards,

Pierre Lemire

6. Matters arising from the minutes: None

7. Deputations / Délégations: None

8. Correspondence, Information: None

9. Members Update Reports : None

10. New Business/ Nouvelles affaires:

- a) New Committee – Council Report:** Councilor Wendy K. Weller said she had nothing to report at this time.
- b) John’s presentation on McGarryopoly Game:** Councilor Wendy K. Weller deferred this presentation to the next meeting due to member John Gabourie being absent.
- c) Signage:** Councilor Wendy K. Weller opened the floor for her members to have a discussion. All members were given copies of signage examples to look at. Councilor Wendy K. Weller said that the signs were done Creative Design. Councilor Bonita Culhane said that she was impressed with the signs done by Creative Designs and that the Strategic Planning Committee should look into an appointment to get quotes for the March meeting.

Mayor Matt Reimer mentioned that FEDNOR and KDCDC are promoting tourism in Northern Ontario and that funding will be available for things like signage. Councilor Wendy K. Weller said that the Strategic Planning Committee members can get a multi listing for the project that they have in mind and they can present it when the time comes.

All members agreed on moving forward with getting more information on the signage.

- d) Advertisement for New Business:** Councilor Wendy K. Weller asked where they should put the signs because of our 3 little villages. Councilor Bonita Culhane mentioned that if we were to put a sign up on the highway that would involve a permit and would add to the cost. Member Francine Plante said she will do some research on this subject and report back to the committee at the next meeting.

- e) **Loose Parts Park:** Member Francine Plante mentioned that a presentation was done on this subject at the last Strategic meeting for Taylor White and asked what are her next steps. She mentioned that she wrote a report for the Loose Parts Park and handed it to the Chair Councilor Wendy K. Weller.

Councilor Wendy K. Weller said that she spoke to the Recreation Committee about this and that she would like the Committee to be on board with this idea.

The Committee mentioned that they would like some restrictions for the loose park: examples: age requirements, parent supervision, secured area, parking, etc. Councilor Wendy K. Weller has looked into the liability and from her understanding it would be the same as a normal park. She will get the information necessary from the insurance company and report back to the Committee.

The Committee will bring a report forward to Council.

11. a) Submitted questions / Question soumises : None

b) Audience questions / Questions de l'auditoire :

- 1) Muriel Rose asked if someone wants to know information about land in the community, would this fall under the Strategic Committee?

Chair Councilor Wendy K. Weller answered that this would fall under the Zoning By-Law and the Official Plan and mentioned that they are both being worked on at this time.

- 2) Muriel Rose asked if the plan identifies if the land is Public land, Township land or Private land. She mentioned that she was trying to find out if the Tourist Building is on the Curling Club property and where could she go to find more information on who owns what land?

Chair Councilor Wendy K. Weller suggested that the Haileybury Land Registry office may have more information.

To Mayor and Council

I would like to submit this question for the next regular Council Meeting and I would like a written reply of Council's answer.

Council is continually trying to find ways to raise money to fund community projects. One way to do this would be to charge property owners for work done on their properties by town employees and summer students such as cutting grass, trees, etc. Instead of spending taxpayers dollars, the money generated (money that is rightfully owed to the township) could fund projects that benefit the community.

When will Council instruct township staff to charge for all work done on private properties, the same way they charge for work to fix water breaks that are on privately owned land?

Respectfully,

To Mayor and Council

I attended the Strategic Planning Committee Meeting on March 22nd. McGarryopoly was on the agenda but I didn't hear any discussion on this project. Before Council votes on whether to approve it or not, I would be interested in having answers to the following questions, which I am hereby submitting for the next regular Council meeting. I am also requesting a written reply of the answers.

- A. Where is the money coming from to upfront the project?
- B. Who will be responsible for promoting and managing this fundraising project?
- C. Will there be periodic reports made public so residents know how much money has been collected and where it was spent?
- D. How often will the financial reports on this project be published? And,
- E. Why are committees having fundraisers?

Sincerely,

To Mayor and Council

I would like to submit the following questions to be answered at the next regular Council meeting and I am requesting a written reply of the answers.

Throughout 2021 Kirkland Lake Council was transparent with it's residents reporting in newspaper articles the community's standing with regards to the total number of properties in tax arrears and the total monetary value of non-collectable taxes. Will this Council be as transparent and share with the residents of McGarry answers to the following public information questions:

- a. what are the total number of properties, excluding mining claims, in tax arrears?,
- b. what is the total monetary value of non-collectable taxes? And,
- c. when will the list for Sale of Land for Tax Arrears By Public Tender be published?
