Ontario Moving to Step Three of Roadmap to Reopen on July 16

Continuing Improvements in Key Indicators Allowing Province to Safely Expand Indoor Settings and Capacity Limits

July 09, 2021

TORONTO — With key public health and health care indicators continuing to improve and the provincewide vaccination rate surpassing the targets outlined in the province's [Roadmap to Reopen](#), in consultation with the Chief Medical Officer of Health the Ontario government is moving the province into Step Three of the Roadmap to Reopen at 12:01 a.m. on Friday, July 16, 2021.

"Thanks to the tireless efforts of our frontline heroes, and the ongoing commitment of Ontarians to get vaccinated, we have surpassed the targets we set in order to enter Step Three of our Roadmap," said Premier Doug Ford. "While this is welcome news for everyone who wants a return to normal, we will not slow down our efforts to fully vaccinate everyone who wants to be and put this pandemic behind us once and for all."

In order to enter Step Three of the Roadmap, Ontario needed to have vaccinated 70 to 80 per cent of individuals 18 years of age or older with one dose and 25 per cent with two doses for at least two weeks, ensuring a stronger level of protection against COVID-19. Thanks to the dedicated efforts of Ontario's health care partners, as of July 8, 2021, over 77 per cent of the population in Ontario ages 12 and over have received one dose of a COVID-19 vaccine and over 50 per cent have received their second dose. More than 16.6 million doses of the COVID-19 vaccine have been administered provincewide.

The province also needed to see continued improvement in other key public health and health care indicators, including hospitalizations, ICU occupancy and the weekly cases incidence rates. After entering Step Two, during the period of June 29 to July 5, 2021, the provincial case rate decreased by 23.3 per cent. As of July 8, the number of patients with COVID-19 in ICUs is 202, including three patients from Manitoba, as compared to 286 two weeks ago. The province expects these positive trends to continue over the coming days before entering Step Three.

"Ontario has continued to see improvements in key health indicators, allowing the province to move to Step Three of the Roadmap and safely resume more of the activities we've missed," said Christine Elliott, Deputy Premier and Minister of Health. "While this is exciting news, we most still remain vigilant and continue to follow the public health measure we know work and keep us safe. Vaccines remain our ticket out of the pandemic so if you haven't booked your appointment yet, please do so today."

Step Three of the Roadmap focuses on the resumption of additional indoor services with larger numbers of people and restrictions in place. This includes, but is not limited to:

- Outdoor social gatherings and organized public events with up to 100 people with limited exceptions;
- Indoor social gatherings and organized public events with up to 25 people;
- Indoor religious services, rites or ceremonies, including wedding services and funeral services permitted with physical distancing;
- Indoor dining permitted with no limits on the number of patrons per table with physical distancing and other restrictions still in effect;
- Indoor sports and recreational fitness facilities to open subject to a maximum 50 per cent capacity of the indoor space. Capacity for indoor spectators is 50 per cent of the usual seating capacity or 1,000 people,

- whichever is less. Capacity for outdoor spectators is 75 per cent of the usual seating capacity or 15,000 people, whichever is less;
- Indoor meeting and event spaces permitted to operate with physical distancing and other restrictions still in effect and capacity limited to not exceed 50 per cent capacity or 1,000 people, (whichever is less);
- Essential and non-essential retail with capacity limited to the number of people that can maintain a physical distance of two metres;
- Personal care services, including services requiring the removal of a face covering, with capacity limited to the number of people that can maintain a physical distance of two metres;
- Museums, galleries, historic sites, aquariums, zoos, landmarks, botanical gardens, science centres, casinos/bingo halls, amusement parks, fairs and rural exhibitions, festivals, with capacity limited to not exceed 50 per cent capacity indoors and 75 per cent capacity outdoors;
- Concert venues, cinemas, and theatres permitted to operate at:
 - up to 50 per cent capacity indoors or a maximum limit of 1,000 people for seated events (whichever is less)
 - up to 75 per cent capacity outdoors or a maximum limit of 5,000 people for unseated events (whichever is less); and up to 75 per cent capacity outdoors or a maximum of 15,000 people for events with fixed seating (whichever is less).
- Real estate open houses with capacity limited to the number of people that can maintain a physical distance of two metres; and
- Indoor food or drink establishments where dance facilities are provided, including nightclubs and restobars, permitted up to 25 per cent capacity or up to a maximum limit of 250 people (whichever is less).

Face coverings in indoor public settings and physical distancing requirements remain in place throughout Step Three. This is in alignment with the [advice](#) on personal public health measures issued by the Public Health Agency of Canada, while also accounting for Ontario specific information and requirements. Face coverings will also be required in some outdoor public settings as well.

Please view the [regulation for the full list of public health and workplace safety measures](#) that need to be followed.

“Thanks to the continued efforts of Ontarians adhering to public health measures and advice, as well as going out to get vaccinated, we have seen most key health indicators continue to improve,” said Dr. Kieran Moore, Chief Medical Officer of Health. “However, the pandemic is not over and we must all remain vigilant and continue following the measures and advice in place, as the Delta variant continues to pose a threat to public health.”

The province will remain in Step Three of the Roadmap for at least 21 days and until 80 per cent of the eligible population aged 12 and over has received one dose of a COVID-19 vaccine and 75 per cent have received their second, with no public health unit having less than 70 per cent of their eligible population aged 12 and over fully vaccinated. Other key public health and health care indicators must also continue to remain stable. Upon meeting these thresholds, the vast majority of public health and workplace safety measures, including capacity limits for indoor and outdoor settings and limits for social gatherings, will be lifted. Only a small number of measures will remain in place, including the requirement for passive screening, such as posting a sign, and businesses requiring a safety plan.

Ontario’s epidemiological situation is distinct from other jurisdictions and the Delta variant is the dominant strain in Ontario, which is not the case with some other provinces. As a result, on the advice of the Chief Medical Officer of Health, face coverings will also continue to be required for indoor public settings. The Chief Medical Officer of Health will continue to evaluate this need on an ongoing basis.

News from the Office of the Township of McGarry

Township Office Hours

Monday to Friday: 8:00 a.m to 4:00 p.m

Closed for lunch: noon to 1:00 p.m.

Payments

A reminder that you can pay your bills by: cash, cheque, money order, interact, Visa, Mastercard. Residents and ratepayers may now make payment for water and taxes by electronic transfer. In order to set up your transfer, please use the account number shown on your bill. It is the responsibility of those paying to ensure the account is set up properly. **Please note: Allow 2 to 3 business days before the Township receives the funds. It is the responsibility of the resident to ensure the funds are deposited in the Township account on or before the due date.**

Drop Box

We wish to remind the public that there is a drop box for your convenience at the Township Office where you can deposit your payments. It is a black box located on the left side of the entrance door.

Water Bills

Each month every property of the Township of McGarry is being billed for water consumption, sewer services and miscellaneous charges.

	<u>Total</u>	<u>Late Fee</u>	<u>Total after due date</u>
Water	\$40.54	\$4.46	\$45.00
Sewer	\$45.89	\$5.05	\$50.94
Misc	\$22.25	\$2.45	\$24.70
	\$108.68	\$11.96	\$120.64

Please note: Payment by cheque, Visa, Mastercard, Interac or Direct Deposit pay \$108.68 (not \$108.70).

Due to penny round-up, cash payments are \$108.70

PLEASE NOTE: a fee of \$1.00 will be charged for each re-print of Utility Billing such as Water and Taxes. It is important that you bring in your bill that you received by mail in order to avoid the extra fee.

Public Works students are out
and about cutting grass,
painting, etc.

You may see the **Orange**
T-Shirts around please be
aware of them as they are
working.

Come visit our Tourist Centre and catch up on the history of our great town.

We are open 7 days a week
From 9:30 am to 3:30 pm.

Lots of souvenirs to buy and look at as well.

We have beautiful displays for everyone to see.

Day Camp 2021

Day camp has started and kids
are having a blast.

Come and check it out from
10am to 3pm Monday to Friday.

Cost is: \$1.00 / a day per child if resident
 \$2.00/a day per child if non resident
 \$20.00/ a month per family

RECYCLING PROGRAM

1. Here is the list of what can and cannot be recycled.
2. Rinse all recycling before putting it in the bin.
3. Break down cardboard boxes and tie it together if you have too much of it to fit in your bin.
4. Bag any shredded paper you may have and put it in a clean plastic bin.
5. This is a single stream recycling program so you do not need to sort your recycling.
6. Do not put compost or animal waste material in your bin.
7. Feel free to use **CLEAR** plastic bags for your recycling if it is convenient for you.
8. Please have your recycling at the road by 8:00 a.m.

Recyclable Materials Include :

PAPER PRODUCTS – newspaper, magazines, computer paper, pamphlets, flyers, envelopes, writing, cardboard, boxboard, cereal boxes, old corrugated cardboard, tissue boxes, soup boxes, shoe boxes, n juice cartons, etc.....

ELECTRONICS – computers, tv's, phones, cd players, etc...

ALUMINUM STEEL CANS – used for food and drinks, aluminum foil and plates, ect...

GLASS JARS AND BOTTLES – used for food and drinks, empty paint cans, aerosol cans...

PLASTIC CONTAINERS – bottles and all other plastic containers labeled with symbols #1 to #7

STYROFOAM – used for packaging and shipping.

NON-Recyclable Materials Include:

PAPER – such as wax paper, paper towels, waxed grocery boxes.

METAL – coat hangers, metal pots and pans.

GLASS – drinking glasses, cups, dishes, window glass, light bulbs, mirrors, pottery, glass pots and pans.

PLASTIC - such as caulking tubes, cellophane and all other the recycling that does not have the #1 to #7 symbols.

Please keep this sheet as a reference. A successful recycling program is only as good as those who participate. Please do not hesitate to call Eco-Logix to ask questions about your recycling program or visit the Eco-Logix website to email your comments or questions.

Hassle Free Recycling

(705)672-5798

www.eco-logix.ca

GARBAGE COLLECTION

Please be advised that the weekly garbage bag limit is 4 bags. The color of bag does not matter. If your bag is white, green, black, big or small 4 bags is the limit.

Garbage can also be put in bins or cans. **If there is any loose garbage in bin or can it will not be picked up.**

We would like to remind residents to have their garbage out by 8:00 am the day of garbage pickup, make sure to tie your bags up properly and also make sure your bags do not weigh more than 40 lbs. We also ask that you do not put your garbage out days ahead. Summer is here and animals are wandering the streets.

If Public Workers arrive at your residence and your garbage is not tied up properly or is too heavy, they will not be picking them up.

Thank you for your co-operation in this matter

The Corporation of the Township of McGarry

Summer safety

Summer is a time for family road trips, outdoor fun in the sun and hopefully lots of great weather.

Here are some simple reminders to prepare for safe summer days:

Stay cool in the heat: Keep cool and hydrated and minimize your time in the sun between 11:00 a.m. and 4:00 p.m. Drink plenty of water, find shade, visit cool buildings, slow down, bathe in cool water and wear light-coloured clothing. Never leave children or pets inside a parked vehicle. When the outside air temperature is 23°C/73°F, the temperature inside a vehicle can be extremely dangerous – more than 50°C/122°F.

Wear the right helmet: Everyone is encouraged to wear a helmet when cycling, inline skating and skateboarding. The additional cushioning in a helmet could save your life. In bicycle mishaps, the forehead usually makes first contact with the ground. With skateboarding, falls are more common and helmets are specifically designed to protect more of the back of the head. Unlike bicycle helmets, skateboard headgear is also designed to protect against multiple falls, whereas bicycle helmets should be replaced after one crash.

When thunder roars, go indoors: Stay inside for at least 30 minutes after the last rumble of thunder. If you can hear thunder, you can get hit by lightning. Take shelter immediately in a sturdy, fully enclosed building with wiring and plumbing. If no solid building is available, you can take shelter in a metal-roofed vehicle.

Stay safe while camping: If strong winds, hail or a tornado is developing while you are camping in a tent or tent-trailer, move to the closest building or a hard-topped vehicle. Make every effort to get to a suitable shelter.

Avoid the bugs – and their bite: Avoid being outdoors at dawn or dusk, when mosquitoes are most active. Keep in mind that ticks are often found along trail edges, mostly in wooded areas or tall grass. Light-coloured clothing is less attractive to mosquitoes and allows you to see ticks more easily.

Pack an emergency kit: You may have some kit items already, such as a flashlight, a wind-up radio, food, water and a manual can opener. Make sure they are organized and easy to find in case you need to evacuate your home. Make a kit to go in a backpack. Whatever you do, don't wait until a disaster is happening to make a kit.

Keep food fresh: Chilling food properly is one of the most effective ways to reduce the risk of food-borne illness. Leftovers should be chilled promptly, but remember to throw them away if they have been out at room temperature for more than two (2) hours. Keep the fridge at 4°C (40°F) or below and use an appliance thermometer to check the temperature.

Make a (safe) splash: Never leave a child unattended in water, not even for a second. Pick the best time of the day to swim and avoid swimming at night and in stormy weather. The Canadian Red Cross offers tips for all kinds of water activities such as water parks, backyard pools and hot tubs.

Stay safe on the roads: Canada has nearly 900,000 kilometres of road — enough to circle the globe 22 times! Transport Canada is our resource on road safety, especially when travelling with children. Every year in Canada, about 10,000 children (from infants to 12-year olds) are hurt or killed on the roads. Make sure your children are always buckled-up properly while in the car, even for short trips. And remember, the back seat is always the safest place for your children.

Have a safe summer, from the Mayor, Council and staff of the Township of McGarry.

Barbecue safety tips

Before use

If your barbecue has been sitting for a long period of time (over winter), it will need to be checked before use. Look for:

- blocked burners or metal tubes near the burners
- damaged or leaking fittings and hoses:
 - use a soapy water solution and check for bubbles
 - if you see bubbles, have the barbecue serviced by an authorized professional and then re-check for leaks
 - replace cracked or damaged hoses even if they are not leaking
- a damaged seal (check the seal when you get your barbecue tank refilled and check for leaks after re-installing)

Also make sure the barbecue and burners are clean and the briquettes do not have a lot of grease buildup.

When setting up your barbecue, make sure it is:

- outside and in a well-ventilated area
- far away from combustible materials and windows and doors
- on an even surface to reduce the risk of it tipping over

During use

When you use your barbecue, keep the lid open when lighting it. Follow these 3 steps:

1. open the shut-off valve on your tank to turn on the gas
2. turn the burner controls on the barbecue to the appropriate position
3. ignite the barbecue using the igniter switch or other recommended means, making sure not to lean over the barbecue

If the barbecue does not light right away:

- turn off the gas
- wait for the gas to go away before re-lighting

After use

After barbecuing:

- shut off the gas valve.
- let the gas remaining in the connecting hose burn off.
- close the burner controls.

If you have a charcoal barbecue, make sure the charcoal has cooled down completely before you get rid of it. This could take several hours.

ATTENTION DO NOT FEED SEAGULLS

WHY YOU SHOULDN'T FEED SEAGULLS

1. Overpopulation

Seagulls are very clever animals and it doesn't take long for them to realise when they are on to a good thing, in this case a constant supply of food. This means they are going to flock to wherever this food is available which can cause an overcrowding of seagulls in a particular area. By bringing all of these seagulls to one place you are also increasing the chances of them reproducing and increasing the population even further.

2. Dependence on humans

The more we feed the seagulls the more they are going to become dependent on us and our diet. The more they enjoy the food we eat the more likely they are going to forego their usual diet. Once they start to depend on the scraps of food we feed them they are less likely to put the effort in to hunting for their own food, unlike us the seagulls aren't aware that what they are eating is actually bad for them. This will then result in them not getting the nutrients that they need to survive which they would be getting if they were sticking to their natural diet and ironically begging for even more food to make up for the nutrients they are lacking.

3. Social problem

As we feed seagulls their fear of humans decreases which in turn makes them more of a menace. Seagulls can become very aggressive when they are in packs and have started targeting both adults and children as well as animals. Seagulls can't differentiate between food that is being offered to them and people that are just carrying their food which has resulted in a lot of people being attacked in recent years.

4. Risk of disease

As with any animal faeces, seagull droppings can carry a range of diseases that can lead to illness. With the increase of seagulls in the areas we are seeing more and more buildings and public areas that are being defecated which brings with it the potential risk of disease. As well as the seagulls themselves we are also at risk from the other pests that can be attracted by the presence of seagulls

5. Nesting gulls

By feeding seagulls we are attracting them to the areas which means you have to be prepared for the possibility that nesting gulls might end up settling on your roof. Having gulls on your roof can prove to be a disruptive and costly problem if not dealt with properly.

We hope the points we have raised here have given you enough reasons to not feed the seagulls. The Township of McGarry urges all residents TO NOT FEED THE SEAGULLS.

NOTICE
RESIDENTS OF THE TOWNSHIP OF MCGARRY
BY-LAW 98-08

Between April 1st - October 31st fires are permitted only for cooking or warmth and only in approved containers and small open fires to a maximum of (1) one meter in diameter within the boundaries of the Township of McGarry.

Fires on rural or commercial properties must first have an approved fire container and spark resister top approved by the Fire Chief or his designate for the Township of McGarry prior to igniting any fire. All fire scenes shall be equipped with safety equipment such as water and/or portable fire extinguishers (Type A, B, C), rakes or any tool necessary for safety.

Any person found in violation of this By-Law is liable upon conviction to a fine in any calendar year of:

\$50.00 First Offence
\$100.00 Second Offence
\$1000.00 Third Offence

To have a container inspected contact: Fire Chief Neil Albright at (705) 634-2443 or (705) 668-0346.

To all residents

Council would like to remind everyone to be Bear Wise in an effort to eliminate the problem of having bears in town sites.

The following are suggestions from the Ministry of Natural Resources:

- Put out your garbage for collection on the morning of garbage day, not the night before.
- Do not leave pet food outside.
- Clean your outside grill after use.
- Do not use bird feeders or put out feed for birds during the summer and fall.
- If you have a composter do not put fish, meat scraps or fruits in your composter.
- Pick up ripe fruit from your trees and do not let any fallen fruit lay on the ground.

If you have a bear emergency contact the police at 9-1-1

To report bear problems, call 1-866-514-2327 or the Ministry of Natural Resources Office at 705-562-3222.

À tous les résidents

Le conseil désire rappeler à tous d'être en mode « Ours Conscients » dans un effort collectif pour éliminer le problème de présence des ours dans nos municipalités.

Voici quelques suggestions du Ministère des Ressources Naturelles :

- Mettre vos déchets pour la collection des ordures uniquement le matin du jour prévu.
- Ne laisser pas de nourriture pour vos animaux a l'extérieur.
- Nettoyer les grilles de votre appareil de cuisson d'extérieur (BBQ) après usage.
- Ne pas utiliser de mangeoires a oiseaux ou nourriture pour les oiseaux durant l'été et l'automne.
- Si vous faites du compostage, n'y mettez pas de poissons, déchets de viande ou fruits.
- Cueillez les fruits mûrs de vos arbres et ne laissez pas par terre ceux qui tombent.

Si vous avez une situation urgente en rapport avec des ours, veuillez contacter les policiers en composant le 911.

Pour rapporter un problème par rapport à la présence d'ours, veuillez composer le 1-866-514-2327 ou le bureau du Ministère des Ressources Naturelles au 705-562-3222.

DUMP HOURS AND DUMP PASS

Starting **May 1st until September 30th** the dump will be open on:

Thursday's from noon to 8:00 p.m.
Saturday's from 9:00 a.m. to 4:00 p.m.

Please note that it is a requirement to show your dump pass to the dump attendant in order to be able to enter the dump site.

HEURES D'OUVERTURE DU DÉPOTOIR ET LAISSEZ-PASSER

À partir du **1 mai jusqu'au 30 septembre** le dépotoir sera ouvert le:

Jeudi de 12h00(midi) à 20h00
et Samedi de 9h00 à 16h00.

Veillez noter qu'il est nécessaire de montrer votre laissez-passer au gardien afin de pouvoir entrer sur le site du dépotoir.

Off-Road Vehicles

BEING a By-Law to govern and regulate the operation of Off-Road Vehicles on any highway that is under the jurisdiction of the Municipality, or on any part of parts of such highways.

By-Law No. 2015-26

The above mentioned By-Law states that:

- That off-road vehicles shall not travel at a rate of **speed greater than 20km/h.**
 - That off-road vehicles may not travel on the following highways or areas within the Township of McGarry:
 - Any rail, hydro or pipeline rights-of-way,
 - Against the direction of general traffic,
 - In a construction zone,
 - On a closed highway
 - Within a provincial park,
 - On any private property without consent of the owner
 - On any sidewalk,
 - On any municipality maintained land as parks or playgrounds.
 - That any person who contravenes any of the provisions of this By-Law is guilty of an offence and, upon conviction, is liable to a fine as provided for under the Highway Traffic Act.
-

ATTENTION Véhicule Hors Terrain

La municipalité du Canton de McGarry vous avise de suivre les règles de la Loi Municipale 2015-26.

Cette loi indique que les véhicules hors terrain ne doivent pas se promener sur les trottoirs de la municipalité.

Pour une version française, veuillez contacter le bureau municipal au 705-634-2145.

Temporary Structures

Please be advised that ALL temporary structures should have been dismantled **by May 1st, 2021.**

Any Temporary Structures still standing are subject to a fine of \$110.00.

By-Law # 2010-32 – Being a By-Law to regulate the erection and use of Temporary Structures.

Structure Temporaire

Veillez noter que toutes les structures temporaires doivent avoir été démantelées par le **1^{er} mai, 2021.**

Si vous avez encore une structure temporaire, vous pourriez recevoir une amende de \$110.00.

Règlement # 2010-32 – Un règlement pour réglementer la mise en place et l'utilisation de Structures Temporaires.

DOG OWNERS ALERT

Summer is here and we all enjoy the outdoors. It's a time to walk, jog, and enjoy the change in season. Unfortunately many residents find that they need to constantly keep their eyes on the ground when they venture out because some dog owners have failed to adhere to the "Poop and Scoop" alert. Take the time to be considerate of others, when your dog *Poops* please *Scoop*. For the convenience of all residents we have garbage cans located around town to dispose of any refuse.

A reminder, that all dogs should be kept on a leash at all times for the protection of others and yourself.

- THE 2021 DOG TAGS ARE AVAILABLE FOR PURCHASE AT THE TOWNSHIP OFFICE.
- \$15.00 Neutered (Proof Required), \$20.00 Not Neutered

AVIS AUX PROPRIÉTAIRES DE CHIEN

L'été est arrivé et nous aimons tous prendre des marches et profiter du printemps. Malheureusement, les résidents trouvent qu'ils doivent surveiller où ils marchent en tout temps parce que les propriétaires de chiens ne ramassent pas les excréments. Prenez le temps de considérer les autres; quand votre chien fait ses besoins "Ramassez les excréments". Vous trouverez des poubelles à différentes locations sur les rues de la municipalité.

Nous vous rappelons que tous les chiens doivent être gardés en laisse lors de vos marches.

- NOUS DÉSIRONS VOUS RAPPELER QUE LES LICENCES DE CHIENS 2021 SONT DISPONIBLES AU BUREAU MUNICIPAL.
- \$15.00 Châtré(Preuve Requis), \$20.00 Non-Châtré

NOTICE

All dog owners are to walk their dogs on a leash. The Township does not permit dogs running at large in the municipality. Please refer to By-Law below. For French version please contact the Municipal office.

**Township of McGarry
Prohibit the running at large of dogs in the Township of McGarry
By-Law #2021-34**

Avis

Tous les propriétaires de chiens doivent promener leurs chiens en laisse. Le canton ne permet pas aux chiens de courir en liberté dans la municipalité. Veuillez consulter le Règlement Municipal #2021-34. Pour obtenir la version française, veuillez communiquer avec le bureau municipal.

SPEED LIMIT REDUCED

Please be advised that the speed limit in the Municipality of McGarry is 30 kilometers per hour, unless otherwise specified.

The Corporation of the Township of McGarry has passed By-Law # 2017-35, being a By-Law to reduce speed limit and regulate traffic flow on all Township roadways.

The Township has received many complaints regarding speeding motorists. It is advised that anyone who witnesses a speeding motorist to please write down the license plate number along with a brief description of the vehicle and to call the OPP at 1 888 310-1122.

LIMITE DE VITESSE RÉDUITE

Veillez noter que la limite de vitesse dans le Canton de McGarry est 30 kilomètres par heure, à moins d'indication contraire.

La Corporation du Canton de McGarry a passé la loi # 2017-35, étant le règlement pour réduire la limite de vitesse et régler la circulation routière du Canton.

Le canton de McGarry a reçu de nombreuses plaintes concernant la vitesse des automobilistes. Il est conseillé à toute personne qui est témoin d'un excès de vitesse d'inscrire le numéro de la plaque d'immatriculation ainsi qu'une brève description du véhicule et d'appeler la Police Provinciale de l'Ontario au 1 888 310-1122.
